Subject: Federal Contract Boot Camp Training - April, 1st and 2nd, 2015

Register today to secure your seat and take advantage of early registration discounts!

Federal Contracting BootCamp - Early Registration Discount

Interested in gaining a better understanding of Federal business opportunities? Please consider registering for [BootCamp](#), where we immerse you in the Federal Proposal culture and work with you to develop a Business Development plan. In this **two day** workshop you will begin developing a *Plan of Action* that will help you compete for Government contracting opportunities. If you are exploring government contracting, this workshop will introduce you to available options.

Course Description

The BootCamp is two full days of training.

Day One topics include; Government Commerce, Finding Business, Intelligence Gathering and the GS

Day Two topics include; Strategic Planning, Marketing, Teaming, Bid/No bid Determination and Plan of Action

Please visit our website for [a complete course outline](#).
