Subject: Sample letters in support of Sanctuary Point

Catherine. I am going to forward a letter I received from the lead developer. The objective is to convince potential investors that the project has the backing of all necessary state and federal entities. When finished it will be, by far, the most interesting outdoor recreation facility in the upstate and certainly on Lake Hartwell.

Thanks for your help. Let me know if you need anything else.

Herb Burnham, Executive Director
Lake Hartwell Association
