You already know LinkedIn® is the best place to post your professional profile. But then what? Dive deeper into this powerful platform to learn how to use its many dynamic tools to grow a stronger network, find valuable people, and gain greater visibility, whether job seeking or seeking business growth. This live webinar refreshes some well-known techniques and shares new tips to build and manage your identity, create and leverage your professional network and gain the knowledge you need to be even more successful.

This live webinar will utilize GoToWebinar®, an internet active tool which allows the speaker to walk through examples in real time. This will be the best way to follow along with the program and a link will be provided for you prior to the program date.

### Benefits for You

- Learn how to build and maintain company and showcase pages
- Leverage all of LinkedIn®'s communications tools, not just one or two
- Discover best practices for increasing the perception of your brand value
- Find out what the publishing platform is really all about, and how to use it to

your advantage

•Understand how to control the LinkedIn® environment to suit your style
