I talked to Darryl, because we (by which I mean me) are just now following up on Pee Dee not having a completed contract on file with us, we will pay November legal services. I will address whether we will pay December once Darryl or I can speak to them. Thank you.

Good Morning, I have reviewed the exact wording of the letter to Santee Lynches regarding the deficiencies in their contract. We need to pay them for November and December based on the rate in their deficient contract. However if they fail to correct their contract by January 15<sup>th</sup>, they will not receive payment for services provided in January and going forward. I apologize for the confusion. Ruchelle's call clarified which month's payments were being reviewed. The letter they received is attached.

In the case of Pee Dee, I need to receive a completed contract from them, which I do not have at all. I will provide an update on this shortly.
