Attachment : Order of Silver Crescent;

Actually, I believe it was the Order of Silver Crescent and I have attached an email that I sent earlier that has a little more information.

Thank you,

Alisa

Madison,

Sometime ago (May), we delivered an Order of the Palmetto Package for Samantha Johnson, and, to my knowledge, we have not heard anything.

Can you check on this and let me know a status report?

Thank you very much.

Alisa
