Hello,

I want to express my complete disappointment in the electoral proceedings today. In Chesterfield County, we were offered either a Democratic Ballot which has our Sheriff's race on it or a Republican ballot which has Gov. McMaster, Tom Rice and others on it.

I was forced to choose a Democratic ballot to be able to vote for our Sheriff. I closed the rest of the ballot as incomplete. I'm not a Democrat. As a result, I was not allowed to vote for those that I wanted to, because they were not on the Democratic Ballot. The Poll workers told us this is a South Carolina State law.

This Law needs to be changed now, not years later. It was totally unfair for one and all that were running for office. Since you are part of the Judicial process in the State of South Carolina, I urge you to knock on some doors and get these laws re-written now. As a Republican, this hurt you too.

Respectfully,
