I can't do the 27th or the 30th either. 25th and 7th are both OK on my end, though - thanks.

We agreed that we would get together on April 23<sup>rd</sup> for our next meeting. Unfortunately, I just realized that I will be in the SC Economic Development Advanced Symposium class that Monday and Tuesday. I hate to move back our meeting to a later date but please give me your availability for either April 25, 27 or 30 or May 7. Let me know your preference. In the mean time, I will work with you individually as needed and will keep you posted on the status of the website. Thanks.
