Robert Samuelson: Brazil's nightmare

“Woe is Brazil. As the summer Olympics approach in August, Latin America’s largest country — with a population of 206 million and an economy that is 40 percent of the region’s total — is caught in a harsh slump and faces a political crisis that could result in its president being impeached. How did this happen? What does it mean?” [Read More](#)

Kathleen Parker: Pope Bernie

"Imagine emerging from a rocky political week only to announce, as Bernie Sanders did, that, oh, by the way, the Vatican called. Actually, it was the Pontifical Academy of Social Science, but close enough, I suppose." [Read More](#)
