Hi Katherine,

Per our conversation, we (including Johnson Controls SC rep), will be meeting with Sec. Stirling on 12/12 at 10:30 am to discuss the expansion of more energy savings performance contract type work with SC DoC. Would you be able to attend as well on behalf of the Governor's Office? I know you had mentioned having an interest and we would certainly welcome this.

Let me know and I will forward along the invite if so.

Thanks,

Brandon
