South Carolina State Parks

at 16:00:00 on 12/30/2014 UTC · 🌐

A very cool story about a Florence family who has visited all 47 SC State Parks and become Ultimate Outsiders! We challenge you to do the same in 2015!

Florence family visits all 47 state parks in SC

Take an energetic 8-year-old, two parents and 47 state parks and you have a recipe for adventure.

Sue Caldwell Roberts My sister & I finished ours in September & it's a great way to see SC. I suggest taking the back roads & not the interstate because there's so much beauty here.

Ron White Guys, it is incredible to see that our story has been spreading around the world like wildfire! Almost as incredible as going to see the parks! By the way, we are now over 20 parks into our 2nd tour of the 47! Kelly, Zsa Zsa, and I are starting our new year off with a hike to Raven Cliff Falls! Meeting the park ranger that is leading the hike at 10 AM on the 1st ! Hope to see you there!

at 1:54:47 on 12/31/2014 UTC

Kelly Rachel We have had so much fun. SC is a beautiful state and so much of that beauty can be found in our state park system. Zsa Zsa has grown so much from our travels. Our biggest hope from the story is to let more people know what our state park system has to offer. Our best times together are at our SC State Parks! Come out and play everyone!
