Good Afternoon Dan, Charlie, Tony, and Nanette,

Chuck and I were talking earlier today about the Duke Energy Settlement and the idea of a meeting of the advisory committee. I had reached out to him as a member of the advisory committee to discuss Duke Energy's vision for spending the settlement funds. He and I would like to schedule a meeting for all of us so that we can move forward with our discussions. So Dan, please allow this email to serve as us seeking permission from you, our chairman, to move forward with a meeting. And to kick off the planning here are some possible dates and times. Please let me know what you think and what dates and times work best for you.
