Marie and Tony,

Attached are the draft versions of the write up for the Lt. Gov's Office Budget. I will continue to refine the documents this afternoon and tonight (I'll keep track of any changes I make) and would appreciate any feedback/changes you may have.

I suggest we get together around 10:30 in the morning to finalize the documents and send them to the Budget Office. Let me know if that time will not work.

Thanks,
