Dear Governor how are you fine?
hope i watch you on TV all the
time this is my third time writing
you please Sister dont let this just
be any letter you are doing a great
job out there for poor people black
and white and i respect that but
what would god want you to do about
this 85 per cent law thats keeping
god people in SS prisons working
for free like slaves hard work
not getting paid theater like
dogs by these officers it doesnt
take god men that long to
change can you please change
that 85 per cent law to 65 so
people like me can get home
to my wife and kids please
we all make mistakes well iam
in the proverbs 22:6 program hear
in lee CYRIL the man that →

started it so he showed you pictures
of my kids one muslim girl and
my little boy i want to get home
to them early but this 85 per
cent law is keeping me from
doing that can you please talk
to god in you and love god
out side of you by doing what's
right nikkie changing this prison
system putting programs in here
shipping out all the gangmembers
to other states lets work together
i wrote a book it got published
i would love for you to read it
can i send you a copy? its
talking about prison fathers mothers
drugs kids government and
love for god nikkie work for
god and not man can you
please let me no you have
been getting my mail thanks
i want to send you my book
may god bless you and you bless god
