Subject: Register SOUTH CAROLINA, STATE OF for South Carolina government bid notifications

Access more government bids and win more business in South Carolina!

Dear TONY,

Our records indicate that you have registered to do business with at least one government agency in South Carolina. We want to help you be more efficient and win more business in this state and nationally.

Many government agencies use BidSync to post their bids. In order to respond to these opportunities you will need to register for a **no-cost BidSync LinksT subscription**- it's fast and easy.

If you've thought about signing up before but haven't, now is the time to act!

BidSync has recently doubled its free in-network coverage of government and higher education bids by adding bids posted through Periscope's BuySpeed system.

Your no-cost subscription to BidSync Links will give you access to all bids, RFPs, and contract opportunities posted through BidSync and BuySpeed.

Access more government opportunities and win more business with government higher education entities in South Carolina. Register today with BidSync to receive notices of their bids, RFPs and contract opportunities.

** Electronic submission of RFP responses is only available for BidSync Source bids.*
