Office of the Governor
1205 Pendleton Street
Columbia, South Carolina 29201

Dear Governor Haley,

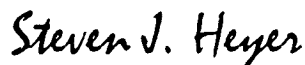

Thank you so much for your time earlier this week. It was a great honor and a pleasure to meet with you to discuss our Company's interest in possibly locating in South Carolina. Under your leadership, South Carolina has enjoyed, and continues to enjoy, tremendous success in the economic development arena, and your passion for creating a strong business environment for South Carolina was immediately apparent when we spoke yesterday. We look forward to working with you and with the South Carolina Department of Commerce as we continue our analysis regarding which is the best state to locate our company's research and development and corporate headquarters facility, and shortly thereafter its manufacturing facility.

Thank you again for your commitment to business. We appreciate your time and energy, and we look forward to talking with you in the very near future as we move our project forward.

Very truly yours,

The Honorable Thomas J. Ridge
