Dear Mr. Zimaitis,

Thank you for your recent correspondence to the Governor's Office. It is encouraging that citizens are taking an active role in their government and Governor Haley values receiving feedback from citizens like you.

While the Governor keeps track of a number of federal issues, we have reviewed your correspondence and have determined that the South Carolina Congressional Delegation would be of greater assistance with this issue. You may follow-up with the Congressional Delegation by using the enclosed contact sheet.

Thank you again for your correspondence and your interest in South Carolina's government.

Best regards,
