Subject: Information update

Tara,

I have updated my AIS information for the Bar and attorney records, but I remember last time I did this I needed to update the Bar Section separately? I am part of the Employment Law Section I believe – I have to get my records from my prior employer on what was paid for and checked. My bar number is 70493. Assuming I am in there, I need to update my email from Richele.taylor@llr.sc.gov to my NEW email of RicheleTaylor@gov.sc.gov.

Thank you,
Richele
