1. File 23.245A / Route I-85 / Greenville County

During construction of improvements on Road S-226, under File 23.245A in Greenville County, near the City of Greenville, the Department acquired right of way for Road S-226, by Title to Real Estate from McDonalds Corporation dated January 17, 1995 and by deed from L. Stewart Spinks and Ken Moorehead dated September 18, 1996.

During acquisition of the new right of way needed for the above project, the Department damaged the subject parcel by placing a control of access in front of the property ultimately resulting in the Department acquiring the entire tract. At that time, the Department agreed to sell the property to recoup money paid out in damages to the Grantee and settle a difficult acquisition case. Therefore, a Quitclaim Deed for approximately 2.87 of an acre of land to Enigma Corporation was executed on January 13, 2003 in consideration of \$400,177.69.

2. File 10.134A / Road S-859 (Old Georgetown Rd) / Charleston County

During construction of improvements on Road S-859 (Old Georgetown Road), under File 10.134A in Charleston County, near the Town of Mt. Pleasant, the Department acquired right of way for Road S-859 (Old Georgetown Road), by Dedication dated August 5, 1957 and by Condemnation from Charles E. Palmer & Newman D. Buck dated December 19, 1988.

The District Six Administrator received a request from the adjacent property owner asking the Department to sell one half of the abandoned Road S-859 (Old Georgetown Road). The other adjacent property owner has agreed to purchase the remaining portion of the roadbed. The request was circulated to the Engineering Sections to determine if the said parcel could be declared surplus. After review, it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.22 of an acre of land to Vincent Adams was executed on March 11, 2003 in consideration of \$3,300.00.

3. File 42.170A / SC Route 290 /Spartanburg County

During construction of improvements on SC Route 290, under File 42.170A in Spartanburg County, near the Town of Duncan, the Department acquired right of way for SC Route 290, by Condemnation from William S. Kirby and Barbara L. Kirby dated April 2, 1993 and from Edna Sexton Smith by Condemnation dated April 13, 1993.

Upon project completion the Department had a 1.53 acre remainder parcel of surplus land. The property was marketed to the general public with signs, newspaper ads, and all necessary means to attract a qualified buyer. After being thoroughly exposed to the market, an acceptable offer was received. The buyer's offer, which has been approved by FHWA, met the appraised price after taking into account the additional expenditures of utilities. Therefore, a Quitclaim Deed for approximately 1.47 acres of land to Richard Pratt was executed on March 11, 2003 in consideration of \$75,000.00.

4. File 23.365 / Road S-140 / Greenville County

During construction of improvements on Road S-140, under File 23.365 in Greenville County, near the Town of Greer, the Department acquired 2.8 acres of right of way for Road S-140, by Beltline Act dated July 21, 1949.

The Department's Legal section received a proposed agreement from the Grantee's attorney to relocate a portion of Road S-140 (Keller Road). The Grantee will donate new right of way and build a new section of the road in exchange for the old abandoned right of way. Therefore, a Gratis Quitclaim Deed for approximately 2.8 of an acres of land to Hanson Aggregates East SE Region was executed on March 14, 2003.

5. File 37.431 / Road S-68 (Rivers Road) / Oconee County

During construction of improvements on Road S-68 (Rivers Road), under File 37.431 in Oconee County, near the unincorporated area of Madison, the Department acquired right of way for Road S-68, by Deed to Right of Way from L. M. Jones dated September 25, 1961 and by Right of Way Easement from Mary Emily Hayes Dale dated October 10, 1961.

The District Three Administrator received a request from an adjacent property owner asking the Department to reduce the present 80-foot right of way to 33 feet along the front of his property line. Engineers from the district reviewed the site and determined it would be beneficial for the Department to liquidate this problem strip of right of way, which consists of rocks and steep slopes. The request was circulated to the Engineering sections to determine if said parcel could be declared surplus. After review it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.53 of an acre of land to Gerry Q. Smith was executed on March 11, 2003 in consideration of \$1,700.00.

6. File 810.439.3 / Interstate I-526 / Berkeley / Charleston County

During construction of improvements on Interstate I-526, it became necessary to acquire right of way for an Access Road, under File 810.439.3 in Berkeley County, near the City of North Charleston at Daniel Island. The Department acquired fee simple title for the Access Road, by Condemnations from Rebecca Gibbs, dated January 27, 1987, from the Estate of Cupid Polite dated January 27, 1987, from Jimmie & Rena Green dated January 27, 1987 and by Title to Real Estate from Jessie Green dated January 16, 1987.

SCE&G is constructing a substation on Daniel Island to service Mt. Pleasant. They have purchased a site, which is accessed by an Access Road owned by the Department. It has been agreed that the Department will convey its interest in the access road for the same amount that the Department had invested. SCE&G has acquired full title directly from the above landowners. Therefore, a Quitclaim Deed for approximately 1.2 of an acre of land to South Carolina Electric & Gas Company was executed on April 1, 2003 in consideration of \$3,000.00.

7. File 40.441 / Road S-1481/ Richland County

The Department acquired right of way for Road S-1481 (Crestwood Drive), from the City of Columbia in Richland County under the Construction Act dated September 15, 1955.

When Road S-1481 (Crestwood Drive) was accepted into the Department's system a small part of an existing house extended onto the newly acquired right of way. A request was received from a representative of the present homeowner, requesting the Department to provide a quitclaim deed to eliminate this problem. The request was circulated to the Engineering sections to determine if said parcel on which the house was encroaching could be declared surplus. After review, it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.005 of an acre of land to Joel Wayne Mason was executed on April 1, 2003 in consideration of \$1,000.00.

8. File 4.331 / Road S-65 / Anderson County

During construction of improvements on Road S-65 (Lee Dobbins Road), under File 4.331 in Anderson County, near the City of Anderson, the Department acquired right of way for Road S-258 (Hillhouse Road), by Deed to Right of Way from R.H. Hillhouse dated September 12, 1950 and by Beltline Act dated April 19, 1951.

Anderson County relocated a small portion of Road S-258 (Hillhouse Road) at the intersection of Road S-65. The Department agreed to exchange the old right of way of Road S-258 for the new right of way of Road S-258 which was obtained by Anderson County. Therefore, a Gratis Quitclaim Deed for approximately 0.60 of an acre of land to Anderson County was executed April 3, 2003.

**Recommendations 4-17-2003**

**REMOVAL OF ROADS FROM STATE HIGHWAY SECONDARY SYSTEM**

It is recommended the Commission remove the following sections of road from the State Highway System as follows:

Addition Number

Description

**Spartanburg County**

Portion of 451 ✓ North Liberty Street in Spartanburg from a point 0.22 mile north of SC 56 (East Henry Street) northerly to S-249 – approximately 0.07 mile (Designated S-44); also North Liberty Street from Commerce Street to US 29 (St. John Street) - approximately 0.10 mile (Designated S-44)  
Total Mileage 0.17 mile  
(Added to System 9-20-1956)

Portion of 452 ✓ North Liberty Street in Spartanburg from SC 56 (East Henry Street) northerly 0.22 mile  
- approximately 0.22 mile  
(Designated S-44)  
(Added to System 9-20-1956)

**Note:** The above road removals are requested by the City of Spartanburg who will accept maintenance responsibility for these sections of road and they qualify under the abandonment of Right-of-Way portion of the law.

Recommendations 4/17/03

CORRECTION OF DESCRIPTION OF STATE HIGHWAYS

It is recommended the Commission correct the description of sections of State Highway previously added to the State Highway System to read as follows:

Addition Number

Description

Berkeley County

311 Section of road from a point 0.10 mile northwest of Road S-382 northwesterly to the canal - approximately 0.06 mile (Designated S-64); also from a point 0.21 mile east of Road S-293 (at the canal) northwesterly to Road S-293 - approximately 0.21 mile (Designated S-186) - Total Mileage 0.27 mile  
Added to System 2/19/59  
Note: The above revision is recommended since the diversion canal inundated a portion of Road S-64. Since the road was separated into two sections, the above renumbers the section west of the canal as Road S-186 and leaves the other section as Road S-64.

719 Section of road from Road S-293 at its intersection with Road S-186 (formerly Road S-64) northwesterly to Road S-292 - approximately 0.8 mile  
Designated S-186  
Added to System 5/15/69  
Note: The above revisions is recommended since the diversion canal inundated a portion of Road S-64. The old sections of Road S-64 on the west side of the canal are being renumbered as Roads S-186.

Darlington County

586 Street at Dovesville from Road S-41 just east of the A.C.L. Railroad northerly approximately 0.12 mile  
Designated S-787  
Added to System 1/21/65  
Note: The above revision is recommended to show the correct beginning point as S-41 rather than S-411. Also the Secondary Number is changed from S-586 to S-787 since Road S-586 already exists in Hartsville.

Addition Number

Description

Hampton County

- 835      ✓      Extension of Road S-567 (Helen Street) in the Town of Hampton from the end of present pavement at Road S-47 to Road S-753 - approximately 0.11 mile  
Designated S-567  
Added to System 10/28/99  
Note: The above revision is recommended to show the correct ending point as Road S-753 rather than S-741.

Orangeburg County

- 2127      ✓      Uncle Bud Road (OC-4254 - county dirt road) extending from U S. Route 301 southwesterly to Road S-2161 (Vista Lane) - approximately 0.67 mile  
Designated S-2127      APPROX 2-15-2001  
Note: The above revision is recommended to revise the ending point of the road and show the mileage as 0.67 mile instead of 0.5 mile.
- 2146      ↓      Jade Circle extending from the intersection of Road S-2127 (Uncle Bud Road) and Road S-2128 (Estate Road) easterly and southerly, and westerly to deadend - approximately 0.21 mile  
Designated S-2146      APPROX 11-15-2001  
Note: The above revision is recommended to revise the ending point of the road and to show the mileage as 0.21 mile instead of 0.33 mile.

ADDITIONS TO STATE HIGHWAY SYSTEM

It is recommended the Commission add the following sections of road to the State Highway System as follows:

Addition Number

Description

Horry County

✓ 1386 Grissom Parkway in Myrtle Beach from Harrelson Boulevard easterly to the old location of Road S-600 to U. S. Route 501 - approximately 0.71 mile; then a section from U. S. Route 501 to Road S-241 (21<sup>st</sup> Avenue North) - approximately 1.48 miles; (The section from Road S-1100 to Road S-263 is covered by Addition 1315 -approximately 0.7 mile); then from Road S-263 (38<sup>th</sup> Avenue North) to S.C. Route 31 (Carolina Bays Parkway) - approximately 2.61 miles

Total Mileage - approximately 5.6 miles

Designated S-1315

Note: The above addition is recommended to add the Grissom Parkway, which was built by Files 26.999 and 26.115B, from Harrelson Boulevard to S. C. Route 31 (Carolina Bays Parkway). The section from Road S-1100 to Road S-263 is covered by Addition 1315 - approximately 0.7 mile; and the section from Road S-241 (21<sup>st</sup> Avenue North) to Road S-1100 (29<sup>th</sup> Avenue North) will remain a city street.

Orangeburg County
