Dear Governor Haley,

I was very proud to be a South Carolinian while watching your grace, poise, and pertinent words in your response to the State of the Union address.

I am begging for your endorsement of Marco Rubio for President. Our State would waste their delegates on Jeb Bush. I don't think he can win the National election. I voted for Bush 41 and Bush 43 but will not vote for Jeb.

Again, I am very impressed of your leadership of our State and hope you will be named for the VP slot. Sincerely,  
Anne D. Tokarczyk
