RE: Media Comments on 1/12/16 and 1/13/16

Ms. Haley,

My family, my friends, my conservative colleagues and even some of my clients that I have spoken to this morning about your comments, all feel YOU are the one being irresponsible. You say Donald Trump is one of the "angriest", well guess what, the entire nation is "angry" and we do not need another career politician like you trying to take our voices away.

Why do you think he leads in the polls? It is because a majority of the nation supports him. He is NOT the one contributing to irresponsible talk, YOU ARE! Also, as a conservative Republican who has supported and loved this country my whole life, I don't appreciate your comments after the state of the union last night about how Republicans must take part of the blame for what has happened to our country over the past seven years. Maybe in Congress, yes, but don't give the entire nation the impression that all Republicans are to blame, in your attention seeking long term career agenda. That has to be the only reason you have carefully selected the timing for voicing your controversial comments.

The democrats are loving you and how you are trying to divide the conservatives and harm Donald Trump's chances. Every day Americans, both Republicans, and some Democrats, do NOT want another career politician representing us in any form and that includes you Ms. Haley from South Carolina. We are intelligent individuals and we do not need another lecture from you or your friend Mr. Obama on what to think, believe or understand. I have clients, friends and family all across this country, including South Carolina and I will do everything I can to encourage others not to support you or your closet liberal agenda now and in the future.

Americans understand completely what is going on in this world and especially in our own country, and for you to minimize the dangers our country is facing is being extremely irresponsible. Donald Trump is saying what we are all thinking and we ask you to please keep your opinions to yourself! No one across this nation asked for them! KEEP YOUR IRRESPONSIBLE TALK TO YOURSELF AND QUIT ASSISTING THE DEMOCRATS IN DIVIDING THE REPUBLICAN PARTY!
