Good Afternoon All,

I have been asked by staff at the Department of Health and Human Services to secure your permission for your name and organizational contact information to be included on their web page under a section devoted to the Medicaid Transportation Advisory Committee. Please let me know by close of business on Friday, April 4, 2014 if you are okay with including your name and contact information. You may respond by replying to me. Thanks for your assistance in updating the DHHS website to reflect our work.
