Last minute getaway for MOM! Take her to Givhans Ferry State Park for the weekend. We've had one cabin become available for this weekend. To reserve, call the park during office hours of 11am-Noon and 4-5pm at 843-873-0692. HURRY -- it's a great gift idea! And you can take day trips into Summerville or Charleston. She'd love it!
