I just spoke with him, and he would like to speak with Brian beforehand if that is okay with you. We will plan to get there at 6:10 so we can meet with him at 6:15. Where should we go when we get there?

Thank you so much for your help with all of this!

He only needs to be there earlier than 6:30 if he would like to talk through the radio interview questions with Brian. We are starting the ceremony tonight at 6:30 and Brian will be on the radio at 6:45 so he won't have a chance to talk with him any later than that time.

Excited about tonight! Looking forward to meeting y'all!

We were planning to arrive around 6:30 but we can definitely be there earlier if you need us. What time would you like for him to arrive? And that sounds perfect. We will plan on him welcoming them and then asking them to stand to be recognized.

Hi Tori,

The length of the interview is just going to depend on the length of the innings. Brian Principe will work that out with the the Lieutenant Governor. Do you know what time he will be at the game tonight? I have already forwarded those questions to Brian but we can arrange a quick meeting around 6:15 with Brian to talk through it if he would like to do that.

The address to the veterans can be anything he wants. If he wants to do a quick welcome and have the veterans stand to be recognized we can definitely do that. He's just going to have the wireless mic and he can take it from there, he'll have about 60 seconds.

Hi AnnaGrace,

How long do you think he will have with him? Here are a few basic questions for listeners who may not know much about the office of the Lt. Gov. or the Office on Aging. Depending on what direction they would like to go, do you think these are okay? He's willing to talk about anything and would love to thank/acknowledge our Veterans.

Can you tell us about yourself and the office of the Lieutenant Governor?

The Lieutenant Governor is over the Office on Aging. What does this agency do?

What issues have you focused on so far during your time as Lieutenant Governor?

What are your goals for South Carolina as Lieutenant Governor?

What does the 4th of July mean to you?

Do you have any big 4th of July plans?

Also is there anything specific you would like for him to included or say in the address to the Veterans? I was thinking he would just say a few words and then ask all veterans to stand in order to thank them.

Thanks!

Tori Beth

Hi Tori,

Can you please send a list of questions or some key points that you would like our Broadcaster Brian Principe to interview the Lieutenant Governor about.

Thanks,

Hi all,

This schedule sounds perfect. Thank you all for being so accommodating. We will have the Lieutenant Governor at the welcome tent right before the game starts. Thank you again, and please let me know if you need anything else from our end.

Hey Everybody,

We can have the Lieutenant Governor address the veterans in the middle of the first and then we can have him do a radio interview with Brian Principe in the middle of the 3rd. We can do the address behind home plate with the wireless mic and the radio interview will happen right under the press box. If the Lieutenant Governor can meet us at the information tent at the beginning of the game after all the pregame events that would be great.

All, sorry for tardy response. I'm with family at beautiful Edisto Beach and just saw this thread. Including the Lt. Governor is a wonderful addition to the event. I suggest allowing him a few welcoming minutes at the beginning of the agenda on the field with all the veterans. After our pregame activities conclude at 7:00 pm his further participation is at your discretion. As you know Bill, my wife Maxine is the director of the Gilbert-Summit Senior Center of the LC Rec & Aging Commission. This will be a natural segue into what is certain to be a fantastic evening.

Thanks Bill and Tori!

I am also CCing our Promotions Coordinator Anna Grace as she will be assisting with timing of in-between innings. Anna Grace, please coordinate a time in-between innings and with Bob's script for the July 3rd game as well as a time for Brian to get the Lieutenant Governor on Z93.1FM.

Thank you everyone and looking forward to seeing this great event come together!!!

Hi Mr. Shanahan,

Lily Cogdill passed along your information regarding the Lieutenant Governor participating in the Blowfish game on July 3rd. She said you mentioned we could possibly have him recognize all the veterans there at the game in between innings and then go up to the radio booth and maybe say a few words to listeners about our veterans and/or speak on the Office on Aging. Both of these opportunities would be wonderful!

Do you know between what innings he could do either of these? We are excited to have him in town and participate in the July 4th festivities. Thank you so much for your willingness to have him and please let me know if you need any additional information from me.

Thank you!
