Good Afternoon. I recently received the Medicare Cost Reports for Aiken County. I was looking at the reports and noticed that for the payor sources, it showed Medicare and Other. Is there any documents that show how much of the payor source was Medicaid? I really appreciate the help.

Subject: FW: Log Letter 000256 additional requests

I meant to send you this early this morning...

Can you add this chain to your files for this log? Mr. Trogdan still hasn't contacted Karen back per the voice message she left for him. And the information that he's requesting, we're unable to provide. He will need to contact Palmetto GBA.

Thanks

Hi Lauren – I have put a call in to Mr. Trogdan and left a voice mail. I do not believe we will be able to give him this specific information. For more detailed information, he is going to have to request the Medicare cost report from Palmetto GBA. I will update you after I have spoken with him and see what he is looking at exactly in the cost report and what exactly he is looking for.

Thanks
Karen

Beth/Jeff

Attached is an email request for additional information to log letter 000256. The Medicare cost reports that Mr. Trogdan initially requested were sent out March 19th. He has now requested documentation that shows how much of the payor source was Medicaid. Do you want this new request relogged or do you want to respond and we can attach this additional request to the previous log? Please let Brenda and myself know how you would like to proceed with Mr. Trogdan's request.

Thanks
