Re: 6D2643570-00-00    ID No. ZCS 60922961

The Honorable Governor Nikki Haley:

I respectfully submit this **written appeal** concerning this referenced claim. My son, Hunter, received more than one surgical procedure on the same day because of extreme medical need and for emergency care trying to save his life. Regretfully, these two procedures were not successful, but were a medical necessity.

In advance, your medical review of this medical appeal will be greatly appreciated.

Respectfully submitted,

A handwritten signature in black ink that reads "Michele F. Moore". The script is cursive and fluid.
