Subject: RE: Joey Logano - Columbia Relief

Chip Wile at Darlington has arranged with NASCAR for driver Joey Logano to volunteer next Thursday morning to highlight the recovery efforts in partnership with the United Way. NASCAR is working with Tim Ervolina (CEO of the SC United Way) to set that up. Logano's team is also looking for an opportunity for him to visit with some first responders to thank them. Chip would love for the Governor to be involved in either part but went out of his way to assure me that he understood the emergency operations come first. There is a conference call at 1:30 today with NASCAR, United Way Assn of SC, Logano people, and Chip Wile. May be good to have someone from the Comms team on the call.

This is way out of my lane. I'm happy to take care of it, but I wanted to give your folks an opportunity to give it more expert treatment.
