Please investigate why the Toney children have not been returned to their parents and family. They have been in DSS custody since August 2014. Their parents have done everything they were suppose to do to get them back. I am the Grandmother and I know that Cherie and Josh Toney have worked hard to get their kids back. They are good parents and love their children. Children need to be with their parents where they feel safe and secure. Something is wrong in the Spartanburg DSS office. Non professional guardians who who appear to be judges and write false reports. I am a decent and moral person and I love my grandchildren. Please, please give them a chance to be with their parents again. Their names are: Emalee, Ethan, Logan, Oliver, Abbey, Gracie, Becka, and Andrew Toney. The parents address us 256 Hunter Rd; Woodruff, SC 29388. My phone number is [864-243-1216](tel:864-243-1216). My name is Kathy Foster. I am Albert Josh. Toney's mother. Thank you for your help. Attached is a picture of Logan's clothes and shoes he wore to the visit in few weeks ago. When the kids were home, they wore decent clothes and had plenty of food. When we visit they always want to come home.
