Debbie,

Hi, I'm having a difficult time getting in contact with Brandy Putnam about the Sumter area SNF cost reports I ordered. I was under the impression that these were going to be in early last week.

Our company is working on an appraisal (that is now past due) that the bank needs in order to close a loan. The last thing we have to finish with our appraisal is dependent upon these cost reports.

Please contact me as soon as you can. I need to find out when I can expect the cost reports. We would prefer a CD, but at this point, anything would do including fax.

Our company FedEx number is: 280214663

Thanks for understanding!

Brandy,

Please resend a CD with the files requested in the October FOIA.

Thanks  
Debbie

Hello,

I submitted this request in late October. The CD that arrived only contained the database for a single facility. I paid the fee for the request but only recently started working with the files and realized that only one facilities' data is included.

Could I please have all of the files like I received in 2008. All of the files should fit on one CD, so if that is possible then it would make shipping easier.

Thanks,

Chase Gray

Hi,

I would like to submit a FOIA request for the 2009 SC cost reports submitted by nursing facilities in the state. I would like these files on a disk in the digital form that they are submitted to the state through the online system. I have received these in the past as access databases. They were sent on multiple CDs. If possible, could they be included on a single CD?
