richards_jm Dear SC state parks: First, Great photos. They're always great. This next part will probably get me me blocked. Your new online campsite booking tool is absolute rubbish. Can't compare campgrounds/campsites, fewer site photographs, can't search all parks based on RV size/amenities. Can't see current or past bookings. Ease of use = 0stars.

scstateparks @richards_jm thanks for your feedback! We're continually working to make improvements to the new reservation system. We will pass your feedback along. And, don't forget, you can call the call center Monday-Friday, 9 am to 5 pm to make a reservation or confirm upcoming ones. 1-866-345-7275.

valerielamottdesigns @scstateparks the not being able to see current or past bookings is huge. I'm really good at booking campsites and then immediately forgetting which site I booked. At least a confirmation email would be helpful.

back9travelers @richards_jm it isn't user friendly at all. Ostars here too. So sad.

redwithlove83 @scstateparks yeah, we can call that number, be on hold for 30 min then speak to someone who doesn't speak English & is no help. It really is awful. I haven't spoken to a single person who is happy with this change. Listen to the people & do something different! What was wrong with the other website anyways? Make too much sense & easy on people so you had to change it? 🐢🐢🐢

christyhannon Agreed. We have bookings on through next summer and we can't see them. It's a little unnerving to not be able to look and confirm what I have booked. I do not like the new system at all.
