Elaine Chartier This is how I guess the 3 Bears cabin would look before Goldilocks got there. Very comfortable and attractive with the right woodsy feel.

Susan Smith Elsken A friend of mine stayed here and we ate over one night. Really nice and roomy. You expect a bear to be part of the scenery!

Carol Land McCrary We are just leaving today after a 4 night stay in Cabin 16. What a wonderful time - saw the old CCC fish ponds and newts, salamanders, frogs and toads. Saw Pileated woodpeckers and heard screech owls and whippoorwills. Paddled on the lake and took a night time nature hike. Hope to go back next year! Great job Poll, Scott, Russ and the rest of the staff!
