I'm assuming file, because there is no real information to act on.

I have contacted USDA weights, and measures.

I have contacted SCDA weights and measures.

I have talked to a representative of SCDHEC on the phone.

All to no avail. Nobody wants to, or has any interest in the well being of the citizens of the proud state they are to represent.

There is corruption that needs to be investigated. If you will not help me in this matter send this upstairs.

I CAN PROVE THE CORRUPTION!
