---

Katherine:

I received this request late Friday & forwarded it to Haley. I haven't heard from her and suspect she may be on vacation. Not sure who submitted it.

Needless to say, I'm going to miss working with you. I truly appreciate all that you have done for me and regret that I won't be there to help you with the final half of the Governor's term. The anti-sentiment was simply too much to overcome. Hope you're doing well!

Larry

Haley:

I received this email request late yesterday regarding the Order of the Palmetto for Dr. Hawkins and just saw it. I only know him by reputation, but he is an outstanding doctor. Ms. Hollifield doesn't say who submitted the application, but I'm happy to second the motion. If the Order of the Palmetto isn't appropriate, maybe the Silver Crescent would be.

I'm going to truly miss working with you and everyone in the Governor's office. Tuesday was a disappointment, but I'm grateful for the opportunity that I've had to help make some positive changes for our state. Hope to see you again soon.

Best regards,

Larry

Subject: Order of the Palmetto ~ Website email from Tina Hollifield

Senator Martin, Please accept this email as a request for a letter of recommendation/phone call to Governor Haley for the nomination of the Order of the Palmetto to Dr. Hawkins. As you know, Dr. Hawkins has contributed greatly to the state of South Carolina since he moved here in 2004 from Vail and considers this his home. He will be retiring from his practice October 1 this year and we want to honor him with this high award, if at all possible. He will be honored at an event for our Fellows on Saturday, July 23rd at his home (which is a surprise event) and it would be a true gift to present him with the Order at this time. We realize that time is of the essence with the requirements of such a nomination and would deeply appreciate any help you may render. I am attaching Dr. Hawkins current CV and Bio for your use and know that a phone call from you to the Governor would be a great asset in our efforts. Thank you for your time and consideration. Kind regards, Tina Hollifield Tina Hollifield Administrative Assistant for Richard J. Hawkins, MD John M.
