Alan Wilson is absolutely correct in challenging same-sex marriage in our state. Marriage should NEVER be based upon anything other than what the AG of the individual state says it should be. I am so glad he continues to expend our tax-payer dollars in this fight. So what if he knows it will cost millions and result in no change other than as the 4th Circuit has Ruled. NC, VA, KS, AK (various Circuit Courts) and all the other 30+ wimps were SO wrong in giving up when they should be emulating us!
