You want all of the health services bills, including DHEC, DAODAS and DMH, right?

I found 48 filed bills that contain the term "health and human services" (<http://www.scstatehouse.gov/query.php>), and 51 filed bills that contain the

term "human services" (<http://www.scstatehouse.gov/query.php>). I only read those bills that, based on their short description, seemed like they could possibly contain restructuring language (ex. I did not read the SC Fair Tax bills even though they contained the words "health and human services"). Based on my search, I only found two bills filed this session that would restructure HHS:

1. S.150, which would remove public welfare programs from DSS and place within HHS; and
2. S.600, which would abolish DDSN and place within HHS.

Companion bills S.550 and H.4641 create a new Department of Behavioral and Public Health, but this only affects DHEC, DMH, and DAODAS. Nothing new is placed within HHS.

I hope this is helpful.

Good morning,
The Senate Oversight Committee is holding a hearing in Anderson this evening. S.150 is not on the agenda, however, Bryant, Young, Shealy, Lourie and McElveen will be in attendance. Therefore, I anticipate being asked for a status update from Sen. Bryant or, more likely, Debbie on the response about S.150. Let me know what timeline I should give if asked today. Many thanks!

That timeline will not work for DHHS. Christian is still waiting on the list of bills from us. Can we ask Debbie for some time until mid-next week.

Good morning Holly,
I have confirmed that S.150 will not be discussed at next Tuesday's hearing in Anderson County and a hearing on the bill will be scheduled after furlough. Nevertheless, Debbie Parker has requested to receive our feedback on S.150 as soon as possible and requested to receive it by the end of this week. If that timeline will not work, let me know and I will buy more time. Attached is a revised draft of the Department's feedback on the substantive provisions of the Bill. Please let me know if you have any comments or feedback.

All the best,
Karen
