Do You Serve Veterans?

Veterans and their families are important to SC Thrive. Veterans have many choices when it comes to requesting records, like DD-214s, and selecting and applying for education, job training and housing programs. SC Thrive simplifies this process and helps Veterans make the best possible choices for themselves and their families. Take the SC Thrive Military and Veteran Counselor Training to access these additional resources for your clients or contact Lance Newman, lnewman@scthrive.org, to learn how to partner with SC Thrive to serve Veterans in your community.

Do You Work with Female Veterans?

SC Thrive has partnered with Texas-based organization Grace After Fire to bring Table Talk™: Color Me Camo to South Carolina. Table Talk™: Color Me Camo is a peer support system designed specifically for women Veterans. Table Talk™ focuses on gender specific aspects through structured positive interaction with trained facilitators and fellow peers.
