Dear Gov. Haley,

I think what your doing with South Carolina is phenomenal.I don't know if you can help me but if you could give me any advice that would be much as appreciated. I've been asking legal aid to help me with my situation but I can never receive any legal help or advice." They just leave me with a comment of they've never dealt with a situation like mine" I've been married for 3 years now. My husband and I went our separate ways a couple days after getting married in another state where I was currently living at the time. I've not contacted this person since that day which was on 04/2011.

Why I'm asking for advice is because I'm trying to move forward with my life and I want this behind me. If you could give any advice in anyway I would appreciate it very much. Thank you so much for all your hard work and dedication to this State. GOD BLESS YOU!
