Greetings Governor Nikki Haley,

I am writing you to request an appearance at a huge outreach event that our ministry is having. You may not remember us, but we received a letter from you commending us on our efforts to combat homelessness in Easley, SC.

Well, we have an event planned, but this event is for the children in the community. We are planning a huge back to school event. It is a 2 day event and it will be held on August 13th and August 14th. On August 13th we will have free food, games and the Easley Police Department will be present to help us pass out free backpacks and school supplies to the children. On August 14th we have volunteer hairstylists and barbers coming to style the children's hair for free.

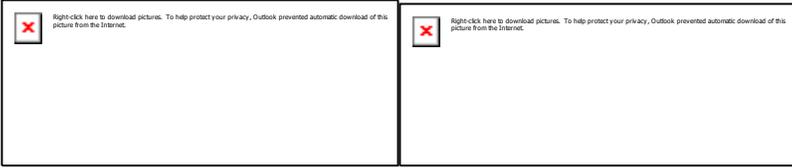

We would love to have you present on the 13th while the officers are helping us pass out backpacks and school supplies. With all of the negative events going on in the world, we are hoping to display some positive news involving our Easley law enforcement. Or if you would like to attend on the 14th or even both days then that would be great. In addition to the Easley Police Department, we are also partnered with Miss Teen SC United States 2016 and a few local physicians. This would be an awesome opportunity for you and it will likely get media coverage. Wink Wink

Over the next week or so I will be creating a flyer for this event. Please let me know if you're interested in attending and if you would like your presence to be added to the flyer.

Sincerely,

Sunshine Gantt
