

## State of South Carolina Office of the Governor

NIKKI R. HALEY  
GOVERNOR

1205 PENDLETON STREET  
COLUMBIA 29201

March 16, 2011

Members of the Senate,

I would like to thank the Senate for adopting Senator Larry Martin's amendment to H.3004, the Roll Call Voting Bill. This was a transformative and positive first step toward making our government more transparent and accountable.

But the job is not finished; there is more work to be done.

Amendments and motions will be offered today in an effort to defeat, weaken or stall the Roll Call Voting Bill. **I ask that you stand strong and oppose ALL efforts to amend, table, carryover, or recommit H.3004.**

Today, let's finish strong and deliver for South Carolina. With your continued leadership, a historic victory for the people is at hand.

Thank you for your support.

My very best,

  
Nikki R. Haley
