Ok. That makes us really sad. We may not be able to come again -- an annual ritual for years. But we are in our 70s and must move to the west coast near our kids. Thank you for the wonderful memories you have given us. I assume the refund will be automatic. If not please let me know what to do. I wish you the best in the cleanup and recovery. My husband used to be a national park ranger. We know it's not easy.

I can't get anything but a busy signal on contact phones. We have current reservations at Huntington Beach. Our last word was that the park would be closed Oct 10-12. But Resreve 'America shows the first campsites available Friday -- no general message about opening. Can we arrive tomorrow? Also our Charlotte Bird club is supposed to be there Friday-Sunday for birding. Will the park be open for that?

We are currently working to gather more information. If you will send us your telephone number, we will contact you as soon as possible. Thank you for your patience.

704-607-3231 Thank you. I will be happy to volunteer time to help with cleanup while we are there. We've been coming since the 70s. This may be our last trip and our last chance to come. I know you are working more than hard to get the park open.

Louise, per our most recent update, all reservations at Huntington Beach are cancelled and refunded through October 27, 2016. We hope to reopen the park by October 28.
