MINUTES

DEPARTMENT OF TRANSPORTATION  
OF  
SOUTH CAROLINA

January 19, 2006

\*\*\*\*

The regular monthly meeting of the Department of Transportation Commission was held at the Headquarters Building in Columbia, South Carolina at 1:30 p.m. In compliance with the Freedom of Information Act, the news media was advised in writing of the time, date and place of this meeting.

Present

Absent

Tee Hooper, Chairman, Presiding  
Marion Carnell  
John N. Hardee  
Robert W. Harrell, Sr.  
Bobby Jones  
J. M. "Moot" Truluck  
Bud Turner

Also Present: Elizabeth S. Mabry, Executive Director

SECTION 1: The Minutes for the meeting of November 17, 2005; copies of which had been previously mailed to each member of the Commission, were approved.

SECTION 2: The Commission unanimously passed a motion approving the sale of surplus right of way property, as shown in detail in the Appendix.

SECTION 3: The Commission unanimously passed a motion approving the request of the Department to advertise and select a consulting firm for the purpose of providing preliminary design services for a design-build project for various bridges in the State, as shown in detail in the Appendix.

SECTION 4: The Commission unanimously passed a motion approving the request of the Department to advertise and select a consulting firm for the purpose of providing engineering services for the replacement of various bridges throughout the State, as shown in detail in the Appendix.

SECTION 5: The Commission unanimously passed a motion approving the request of the Department to advertise and select a consultant firm for the purpose of providing hydraulic engineering services for the widening of US 17 in Berkley County, as shown in detail in the Appendix.

SECTION 6: The Commission unanimously passed a motion approving the request of the Department to advertise and select a consultant firm for the purpose of providing hydraulic engineering services for the widening of State Road 29 and State Road 557 in Florence County, as shown in detail in the Appendix.

SECTION 7: The Commission unanimously passed a motion approving the request of the Department to advertise and select a consultant firm for the purpose of providing hydraulic engineering services for the widening of SC 9 in Horry County, as shown in detail in the Appendix.

SECTION 8: The Commission unanimously passed a motion approving the request of the Department to advertise, select and negotiate with consulting firms to provide any and all necessary construction engineering and inspection services (CEI) for the I-520, Palmetto Parkway Phase II Project in Aiken County, as shown in detail in the Appendix.

SECTION 9: The Commission unanimously passed a motion approving the request of the Department to advertise and select on call consultants on a statewide basis for Intelligent Transportation System (CE&I), as shown in the Appendix.

SECTION 10: The Commission unanimously passed a motion approving the Department's request to renew the contract for on call right of way services, as shown in the Appendix.

SECTION 11: The Commission unanimously passed a motion approving the action of the Department in extending existing construction contracts to include additional work, as shown in detail in the Appendix.

SECTION 12: The Commission unanimously passed a motion approving the action of the Department related to roads in the State Highway Secondary System, as shown in detail in the Appendix.

SECTION 13: The Commission unanimously passed a motion approving the action of the Department concerning projects in the highway lettings of November 8, November 15, December 13 and December 15, 2005, as shown in detail in the Appendix.

SECTION 14: Commissioner Jones had no report from the Invitations and Resolutions Committee.

SECTION 15: Commissioner Carnell reported for the Legislative Committee. The committee recommends that the proposed amendments to the outdoor advertising regulations be approved by the Commission and formally promulgated on behalf of the Department of Transportation. On motion of Commissioner Carnell, seconded by Commissioner Harrell, the Commission passed a motion directing the staff to publish the amended regulations in the State Register and to forward to the General Assembly for review as required by the Administrative Procedures Act. Commissioner Hardee abstained from voting on this motion.

SECTION 16: Commissioner Truluck reported for the Enhancements Committee and made a motion requesting Commission approval that all eligible fiscal year 2005-06 rural enhancement projects be approved as recommended by the Enhancements Committee. The motion was seconded by Commissioner Hardee and passed unanimously.

SECTION 17: Commissioner Hardee reported for the Mass Transit Committee. The committee received an update on the Mass Transit Assistance Project. The Department has hired Deloitte Consulting, LLP to provide an assessment of the Mass Transit Division's organization, processes and programs. The consultant has recommended organizational changes. The changes will improve the effectiveness and efficiency of the Mass Transit Division. The committee was also provided with an overview of the impact of the new SAFETEA-LU legislation on mass transit programs and an overview of the FY 06 federal funding for mass transit. No action was taken.

SECTION 18: Commissioner Harrell called on Mo Denny to give an update on the Finance Committee meeting. Mr. Denny reported that the committee members had been provided with a copy of the external audit report from last fiscal year. Angela Feaster, Darryl Hentz and Robin Wilkes were recognized for preparing a Comprehensive Annual Financial Report (CAFR). Each commission member was provided a copy of the report. SCDOT is one of the few state agencies and DOT's nationally that has accomplished this task. The report has been submitted to the Governmental Finance Officers Association for review.

Also, it was reported that the President has signed the five-year authorization bill (SAFETEA-LU). The Act provides \$273.8 million in earmarked funds for South Carolina. The first year obligation authority for these earmarks, totaling \$46.8 million was received in October. On November 30, 2005 the President signed the FY06 Transportation Act. The Act included \$23.1 million in additional earmarks for South Carolina. On December 29, 2005 the remaining FY06 obligation limitation was released to the states. Excluding earmark funds, South Carolina received \$439.2 million for FY06. The total amount of obligation authority for FY05 was \$475.4 million, leaving South Carolina with \$36.2 million less for program funding this year. South Carolina will still receive obligation authority for the second year of the SAFETEA-LU earmarks and the FY06 appropriations earmarks. Earmark funds will be received with a spending limitation. Only 85 to 90 percent of each earmark will be received for obligation.

SECTION 19: On motion of Commissioner Hardee, seconded by Commissioner Turner, the Commission unanimously passed a motion approving Category I projects for the federal obligation amount and the provision of state matching funds to continue work on those projects. In addition, matching federal and state funds were approved for projects in Category III, with the understanding that the vehicle acquisition funding be returned to SCDOT over time. The motion also included approval of the federal amount only with the state matching requirement being provided by other governmental entities for Category II projects. A list of projects is shown in detail in the Appendix.

SECTION 20: On motion of Commissioner Truluck, seconded by Commissioner Hardee, the Commission unanimously passed a motion authorizing the staff to place the 2006 appropriations bill earmarks out for public comment.

SECTION 21: On motion of Commissioner Turner, seconded by Commissioner Carnell, the Commission unanimously passed a motion to go into Executive Session.

#### EXECUTIVE SESSION

The Commission went into Executive Session for the purpose of discussing personnel matters.

#### OPEN SESSION

Chairman Hooper reported that no action was taken in Executive Session.

SECTION 22: There being no further business to come before the Commission, the meeting was adjourned at 4:30 p.m.

---

Tee Hooper, Chairman  
Presiding

**Surplus Property Public Notice**

**January 19, 2006**

In accordance with the State of South Carolina Statute 57-5-340, by this publication the Department is making public the Surplus Property Real Estate Transactions to the State Highway Commission. The following sheets include a breakdown of surplus property real estate transactions. These transactions may have resulted from negotiations with property owners during right of way acquisition, direct sales, settlement of a condemnation action, and/or corrective actions to previously reported sales.

1. File 41.287 / Road S-31 / Saluda County / Third District

During construction of improvements on Road S-31, under File 41.287 in Saluda County, near Perry's Crossroads, the Department acquired right of way for Road S-31, by Deed to Right of Way from E. G. Tennant dated November 30, 1953.

The District 2 office received a request from an adjacent owner asking the Department to clear an encroachment made in error when a local church placed a concrete monument honoring their pastor within the existing triangle area. The District has asked that the Department to consider reducing the 50'x50' site triangle to a 25'x25' site triangle. This action would clear the encroachment. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review, it was determined that the parcel was surplus to Department needs. Therefore, a Gratis Quitclaim Deed for approximately 0.02 of an acre of land to Roger H. Harmon was executed on October 3, 2005 in exchange for the Grantee giving fee interest to the Department for the remaining 25'x25' triangle area.

2. File 42.513A / SC Route 101 / Spartanburg County / Fourth District

During construction of improvements on SC Route 417 Spur, in Spartanburg County, near the City of Simpsonville, the Department acquired right of way for SC Route 417 Spur, under the Beltline Act, Act 167 and was taken into the South Carolina State Highway Road System in 1945.

During negotiations to settle a difficult acquisition case, the Department agreed to convey a small portion of abandoned SC Route 417 Spur to the Grantee as partial payment for the new right of way needed for the project. Therefore, a Gratis Quitclaim Deed for approximately 0.09 of an acre of land to Doris Smith Hollified was executed on October 26, 2005.

3. File 23.702 / SC Route 253 / Greenville County / Fourth District

During construction of improvements on SC Route 253, under File 23.479 in Greenville County, near the City of Greenville, the Department acquired right of way for SC Route 253, by Title to Real Estate from Ollie H. Ray dated November 21, 1962.

The Department discovered the Grantee had an existing advertising sign on the subject parcel. Back rent was collected. The Grantee sent in a request asking the Department to sell them the same piece of property that their sign was encroaching on. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review, it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.324 of an acre of land to MCC Outdoor, LLC was executed on November 8, 2005, in consideration of \$8,500.00.

4. File 23.246A / Route I-85 / Greenville County / Fourth District

During construction of improvements on SC Route 291 Relocation, under File 23.246A in Greenville County, near the City of Greenville, the Department acquired right of way for SC Route 291, by Condemnation from Woodward Investment Company, Inc. dated November 8, 1994.

In April of 2004 a quitclaim deed was executed at the request of District 3. The Grantee passed away before he could complete the work that he agreed to do in exchange for the right of way. Because of this, the deed was never delivered to the Grantee. Since that time, his trustees have completed the work and are asking the Department to execute a new deed to be recorded in the Greenville County RMC Office. DEA Busbee has approved the work that was done. Therefore, a Gratis Quitclaim Deed for approximately 0.010 of an acre of land to Pamela Jay Threatt and Tommie Kay Caton Successor Trustees for T. C. Threatt Living Trust was executed on November 28, 2005, in consideration of the original agreement made with T. C. Threatt.

5. File 23.357.1 / US Route 29 / Greenville County / Fourth District

During construction of improvements on US Route 29, under File 23.357.1 in Greenville County, in the City of Greenville, the Department acquired right of way for US Route 29, by Condemnation from Nannie M. Martin dated February 25, 1958.

A request was received from the adjacent owner asking the Department to convey a small piece of right of way in order to clear a sign encroachment. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review, it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.003 of an acre of land to Mills Mill Retail, LLC was executed on November 28, 2005, in consideration of \$1,500.00.

6. File 21.147A / US Route 301 Bypass / Florence County / Sixth District

During construction of improvements on Road S-1350 (Steel Road), under File 21.720 in Florence County, near the City of Florence, the Department acquired right of way for Road S-1350, by Right of Way Easement from Canal Industries, Inc. dated January 12, 1978.

A request was received from Florence County asking the Department to abandon its interest in a portion of Road S-1350 (Steel Road) to the county. Since the county agreed to take over the maintenance of this portion of the road, it was removed from the State Highway System by the State Highway Commission on June 16, 2005. Therefore, a Gratis Quitclaim Deed for approximately 2.0 acres of land to Florence County was executed on November 28, 2005.

7. File 23.239A / SC Route 183 / Greenville County / Fourth District

During construction of improvements on SC Route 183, under File 23.239A in Greenville County, in the City of Greenville, the Department acquired right of way for SC Route 183, by Title to Real Estate from Helen Imogene Carr Nuessner dated August 31, 1999.

A request was received from the City of Greenville asking the Department to relinquish the subject parcel. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review, it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.10 of an acre of land to the City of Greenville was executed on November 29, 2005, in consideration of \$40,000.00.

8. File 10.343A / SC Route 183 / Charleston County / Sixth District

During construction of improvements on Road S-76, under File 10.343A in Charleston County, near the Town of Ladson, the Department acquired right of way for Road S-76, by Title to Real Estate from Philadelphia Baptist Church dated August 2, 2000.

A request was received from the adjacent owner asking the Department to sell back any possible surplus after project completion. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review, it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.03 of an acre of land to Philadelphia Baptist Church was executed on November 29, 2005, in consideration of \$3,400.00.

9. File 26.449 / US Route 17 / Horry County / First District

During construction of improvements on US Route 17, under File 26.449 in Horry County, near the Town of Nixon's Crossroads, the Department acquired right of way for US Route 17, by Condemnation from J. D. Randall dated April 12, 1968.

A request was received from the adjacent property owner's attorney asking the Department to convey a small parcel of land to clear title. The property owner was unaware that he was encroaching on a ditch right of way because the ditch was never built. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. After review, it was determined that the parcel was surplus to Department needs. Therefore, a Quitclaim Deed for approximately 0.21 of an acre of land to Barrington Summit Place of North Myrtle Beach, LLC, Alpha Three Summit Place of North Myrtle Beach, LLC was executed on October 26, 2005, in consideration of \$1,000.00.

10. File 18.568 / Road S-199 / Dorchester County / First District

During construction of improvements on Road S-9, under File 18.568 in Dorchester County, in the Town of Summerville, the Department acquired right of way for Road S-9, under the Beltline Act and was accepted into the State's Highway System on December 1, 1936.

A request was received from an adjacent property owner asking the Department to convey a small portion of Old Road S-9 made surplus by the Relocation of Road S-9. The request was circulated to the engineering sections to determine if said parcel could be declared surplus. This conveyance will pay in full any damages for removing the road frontage from the Grantee's property. Therefore, a Gratis Quitclaim Deed for approximately 0.13 of an acre of land to Marlene E. Coleman was executed on December 12, 2005.

## **Professional Services Recommendations**

**January 19, 2006**

The following sheets include recommendations for the Department to utilize professional consulting firms to provide various services, which may include design, right of way acquisitions, construction engineering and inspection, or other associated services. The Department requests approval from the Commission to advertise, select and negotiate for these necessary services.

**REQUEST FOR PROFESSIONAL ENGINEERING SERVICES FOR  
PRELIMINARY DESIGN SERVICES ON STATEWIDE BRIDGE  
REPLACEMENT DESIGN-BUILD PROJECT**

The Department requests Commission approval to advertise and select a consulting firm for the purpose of providing preliminary design services for a design-build project containing the bridges listed below. Based on current and projected workload, the Department does not have sufficient staff to proceed with these projects. The project will be funded using Federal Bridge Replacement Funds.

- 1] S-119: Bridge over Cypress Branch Jasper County (1 structure) (2<sup>nd</sup> Congressional District)
- 2] US 21: Bridges over Black creek and Sandy Run Creek in Colleton County (2 structures) (6<sup>th</sup> Congressional District)
- 3] SC 332: Bridge over Willow Swamp in Orangeburg County (1 structure) (6<sup>th</sup> Congressional District)
- 4] SC 3: Bridge over Brier Creek in Allendale (1 structure) (2<sup>nd</sup> Congressional District)
- 5] SC 70: Bridge over Little Salkehatchie River in Bamberg County (1 structure) (6<sup>th</sup> Congressional District)
- 6] S-21: Bridge over Coosawhatchie River in Allendale County (1 structure) (2<sup>nd</sup> Congressional District)
- 7] US 301: Bridges over Lemon Swamp and Little Salkehatchie River (2 structures) (6<sup>th</sup> Congressional District)
- 8] SC 210: Bridge over Providence Swamp in Orangeburg County (1 structure) (6<sup>th</sup> Congressional District)
- 9] SC 421: Bridge over Little Horse Creek in Aiken County (1 structure) (3<sup>rd</sup> Congressional District)
- 10] S-169: Bridge over Great Swamp in Jasper County (1 structure) (2<sup>nd</sup> Congressional District)

**REQUEST FOR PROFESSIONAL ENGINEERING SERVICES FOR:**

**BRIDGES IN VARIOUS:**

- 1] S-28-45 Bridges over Bolton Creek and Creek at Hermitage Mill in Kershaw County; S-40-1117 Bridge over Cedar Creek, S-40-1436 over North Branch, in Richland County; S-43-692 Bridge over Long Branch in Sumter County (5 structures) (2<sup>nd</sup>, 5<sup>th</sup> & 6<sup>th</sup> Congressional Districts)
- 2] SC 41 Bridge over Maiden Down Swamp in Marion County and Little Pee Dee River in Dillion County (2 structures) (5<sup>th</sup> and 6<sup>th</sup> Congressional Districts)
- 3] S-08-16: Bridges over Cypress Swamp, Sandy Run Creek, and Trib. To Cypress Swamp in Berkley County (3 structures) (1<sup>st</sup> Congressional District)
- 4] S-24-228 Bridge over Big Rock Creek & S-24-285 Bridge over Rocky Creek in Greenwood County (2 structures) (3<sup>rd</sup> Congressional District)
- 5] S-11-41 Bridges over Peoples and Furnace Creek in Cherokee County (2 structures) (5<sup>th</sup> Congressional District)
- 6] US 221 Bridge over Burnt Mill Creek and SC 72 Bridges over Duncan Creek in Laurens County (3 structures) (3<sup>rd</sup> Congressional District)
- 7] SC 49 Bridge over Cedar Shoals Creek in Spartanburg County (1 structure) (4<sup>th</sup> Congressional District)

The Department requests Commission approval to advertise and select a consulting firm or firms for the purpose of providing engineering services for the replacement of the above bridges. Based on current and projected workload, the Department does not have sufficient staff to proceed with these projects.

**REQUEST FOR PROFESSIONAL HYDRAULIC ENGINEERING SERVICES**  
**FOR THE WIDENING OF US HIGHWAY 17AL IN BERKELEY COUNTY**

The Department requests Commission approval to advertise and select a consultant firm for the purpose of providing hydraulic engineering services for the widening of US Highway 17 AL in Berkeley County. Based on the current and proposed workload of the Hydraulic Engineering Section, the Section does not have sufficient staff to conduct the necessary studies. The project will be funded with the funds from the Berkeley-Charleston-Dorchester COG.

**REQUEST FOR PROFESSIONAL HYDRAULIC ENGINEERING SERVICES  
FOR THE WIDENING OF STATE ROAD 29 (SOUTH CASHUA DRIVE) AND  
STATE ROAD 557 (PINE NEEDLES ROAD) IN FLORENCE COUNTY**

The Department requests Commission approval to advertise and select a consultant firm for the purpose of providing hydraulic engineering services for the widening of State Road 29 (South Cashua Drive) and State Road 557 (Pine Needles Road) in Florence County. Based on the current and proposed workload of the Hydraulic Engineering Section, the Section does not have sufficient staff to conduct the necessary studies. The project will be funded with the funds from the FLATS MPO Bonded Program.

**REQUEST FOR PROFESSIONAL HYDRAULIC ENGINEERING  
SERVICES FOR THE WIDENING OF SC 9 FROM WEST OF  
GREEN SEA TO US 76 EAST OF NICHOLS IN HORRY COUNTY**

The Department requests Commission approval to advertise and select a consultant firm for the purpose of providing hydraulic engineering services for the widening of SC 9 in Horry County. Based on the current and proposed workload of the Hydraulic Engineering Section, the Section does not have sufficient staff to conduct the necessary studies. The project will be funded with funds from the Surface Transportation Program.

January 6, 2006

**Request for Consultant Engineering Inspection Services**  
**I-520 - Palmetto Parkway Phase II Project**  
**Aiken County**

The Department requests Commission approval to advertise, select and negotiate with consulting firms to provide any and all necessary Construction Engineering and Inspection (CEI) Services for the project to include, but not limited to, construction project management, on-site inspection and testing duties required for construction of the I-520 - Palmetto Parkway Phase II Project in Aiken County. The proposed design-build project is the construction of an interstate facility extending from US Route 1 to I-20 along new location for approximately 6.5 miles. The project is a controlled-access, four lane, divided interstate facility including three interchanges, improvements to various secondary roads, construction of a connector road, installation of a multi-purpose lane and incorporating 13 bridges.

The SIB funded project is scheduled to be let to a construction contract in early 2006 at an estimated cost of \$111 million. Costs for CEI Services for this project are estimated at \$6.25 million. A cost plus fixed fee contract will be utilized.

Recommendations – January 19, 2006

**“On Call” Intelligent Transportation System**

The Department requests Commission approval to advertise and select on call consultants on a statewide basis for the Intelligent Transportation System (Construction Engineering and Inspection ) CE&I.

\*\*\*\*\*

Recommendations – January 19, 2006

**Renewal of Request for Professional Services for Preconstruction  
On Call Right of Way Services**

The following is being submitted for review as the current on-call consultant contract is due to expire. Every three (3) years this contract must be revised and advertised accordingly in order to locate on-call consultant firms that are interested in performing work on behalf of the South Carolina Department of Transportation.

**CONTRACT EXTENSIONS**

**January 19, 2006**

**The following pages include information on Contract Extensions**

Recommendations: 1/19/06

**EXTENSION OF CONSTRUCTION CONTRACTS**

It is recommended that the Commission approve the action of the Department in extending existing construction contracts to include additional work as follows:

**GREENWOOD COUNTY:** (Commissioner Marion P. Carnell)

Contract of C.D.B., Inc. – File 24.24051 – extended to include sidewalk/ handicap ramp repairs (File 1.24051) on S-202 and S-203 for 0.05 mile.

Estimated Cost of Extension \$ 5,410.00

**GREENVILLE COUNTY:** (Commissioner William C. Turner)

Contract of APAC Southeast, Inc. - File 23.362A - extended to include an additional section of Project FAP IU-IU23(001) consisting of the full depth patching and resurfacing for 1,300 feet prior to the beginning of the project on I-385.

Estimated Cost of Extension \$225,132.46

**LEXINGTON COUNTY:** (Commissioner John N. Hardee)

Contract of Sox & Sons Construction Company, Inc. – File 32.115B – extended to include an additional section of Project FAP NH-0262(178) consisting of the demolition and removal of two buildings and site preparation on SC 320 (Airport Boulevard).

Estimated Cost of Extension \$ 55,000.00

**RICHLAND COUNTY:** (Commissioner John N. Hardee)

Contract of Marshall Landscaping, Inc. - File 40.270611 - extended to include an additional section of Project MTN-MD40 (File 28.111C) consisting of the repair of an erosion problem on Fort Jackson property near the intersection of S-52 and SC 12.

Estimated Cost of Extension \$80,710.00

These extensions were authorized by the Department prior to formal approval by the Commission since the adjacent work had reached such a stage of completion that the contractors involved could not accept the additional work unless it were authorized without delay.

## **State Highway Secondary System Actions**

**January 19, 2006**

### **Removal of Roads From State Highway Secondary System**

The Department recommends Commission approval for the removal of certain sections of secondary roads from the State Highway Secondary System. These sections of roads may be removed for one of the following reasons:

1. Abandonment of Relocated Section of Highway
2. Deletions and Removal of Roads from State Secondary System - Roads may be deleted and removed from secondary system by exchanging for equal or less mileage or roads, which have a higher traffic importance. Ownership reverts to local government having jurisdiction (city or county). Approval of deletion or removal by local government is not required.
3. Abandonment of Right-of-way - Right-of-way may be abandoned if it is determined that the right-of-way is not required for right-of-way proposes or if the right-of-way is not needed for Department purposes.
4. Court Order

### **Correction of Description of State Highways**

The Department recommends Commission approval of the correction of the description of sections of State Highway previously added to the State Highway System. The description of roads currently in the State Highway Secondary System may be changed for relocation purposes, to revise the description of the termini to show what was actually constructed by contract, county line changes, or a change in the secondary road number.

### **Additions to State Highway Secondary System**

The Department recommends Commission approval to add sections of road to the State Highway Secondary System for construction and maintenance. The Department may add roads to the State Highway Secondary System by request of the County Transportation Committees contingent on mileage being available under the current mileage cap. Roads may be added to the State Secondary System by the construction of a new roadway, accepting existing county/city roads into our Secondary System by the swap method, or by county line changes. Roads added to the State Highway System must be constructed to Department standards or reviewed for compliance with Department standards.

Detailed information concerning each of these requests follows.

**REMOVAL OF ROADS FROM STATE HIGHWAY SECONDARY SYSTEM**

It is recommended the Commission remove the following sections of road from the State Highway System as follows:

Addition Number

Description

**Charleston County**

**(Commissioner Harrell, Sr. – District #1)**

1874

X

Peas Island Road on James Island from Folly Road easterly  
- approximately 0.35 mile  
(Designated S-1874)  
(Added to System 6-15-1972)

**Note:** The above road removal is requested by the City of Folly Beach who will accept maintenance responsibility for this section of road and it qualified under the abandonment of Right-of-Way portion of the law.

Present Mileage: 876.13  
Change: (0.35)  
New Mileage: 875.78

Present Cap: 899.34  
Change: -0-  
New Cap: 899.34

**ADDITION OF ROADS TO STATE HIGHWAY SECONDARY SYSTEM**

It is recommended the Commission add the following sections of road to the State Highway System as follows:

Addition Number

Description

**Chester County**

**(Commissioner Jones – District #5)**

1723

X York Technical Campus Road from the intersection of SC 9 and S-293 (Spirit Circle) southeasterly  
- approximately 0.58 mile  
(Designated S-1723)

1724

X College Way from a point 0.18 southeast of the intersection of SC 9 and S-293 (Spirit Circle) easterly to a cul-de-sac  
- approximately 0.20 mile  
(Designated S-1724)

**Note:** The above sections of road are being constructed to meet State standard by Chester County and will be accepted for maintenance once they are completed. The request is from William A. Frick, Chester County Manager.

Present Mileage: 595.53

Change: 0.78

New Mileage: 596.31

Present Cap: 604.00

Change -0-

New Cap: 604.00

**REMOVAL OF ROADS FROM STATE HIGHWAY SECONDARY SYSTEM**

It is recommended the Commission remove the following sections of road from the State Highway System as follows:

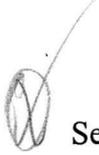

Addition Number

Description

**Edgefield County**

**(Commissioner Carnell – District #3)**

Portion of 453

Section of road at Mt. Pleasant Church from a point 0.098 mile northeast of S-55 easterly  
- approximately 0.024 mile  
(Designated S-453)  
(Added to System 12-15-1977)

**REVISION OF DESCRIPTION OF ROAD ADDED TO THE STATE HIGHWAY SYSTEM**

It is recommended the Commission correct the descriptions of sections of State Highway previously added to the State Highway System to read as follows:

Addition Number

Description

**Laurens County**

**(Commissioner Carnell – District #3)**

30

Section of Road from SC 72 (new location) in Mountville southeasterly to S-38 - approximately 4.2 miles (Designated S-250) (Added to System 12-1-1941)

**Note:** The above Secondary Number is being changed from S-30 to S-250 since File 30.695 realigned it in conjunction with the relocation of SC 72 around Mountville.

326

Street at Mountville from S-30, approximately 0.1 mile northwest of S-984 easterly to S-324 – approximately 0.26 mile (Designated S-326); (the section from S-324 across the railroad tracks to the new location of SC 72 no longer exist ); also the section from the new location of SC 72 easterly to Mountville Presbyterian Church – approximately 0.08 mile (Designated S-252) Total Mileage 0.34 mile (Added to System 9-17-1959)

**Note:** The above road was separated by the relocation of SC 72 around Mountville by File 30.695. Thus a section is being deleted as noted above and the section east of the new location of SC 72 is being numbered S-252. These changes created an overall reduction of 0.04 mile.

Present Mileage: 760.50  
Change: (0.04)

**Note:**

A-portion of the bid is the line item quantities multiplied by the unit prices (normal bid items in the contract)

B-portion of the bid is the unit price assign for the days multiplied by the number days the contractor intends to complete the work

The overall bid total is the sum of A+B which is used to establish the low bidder

The contractor will only be paid the A-portion as bid for work completed

The B-portion is used to establish the contract time or completion date

## MEMORANDUM

TO: Tony L. Chapman, State Highway Engineer  
FROM: G. A. Peck, Contracts Engineer   
DATE: November 30, 2005  
RE: Contracts from the Highway Letting of November 15, 2005

Pursuant to newspaper advertisements on October 3, 2005 and October 10, 2005, for Four (4) contracts from the November 15, 2005 Highway Letting, the Department received Twelve (12) bids.

Four (4) contracts are recommended for award.

Summary and bid tabulations are attached.

## Federal Earmarks Discussion/Background and Recommendation for Commission Approval

Funding for the SAFETEA-LU Highway Bill Earmarks is released by the federal government at a rate of 20% per year, dating back to the effective date of the Transportation Bill (2005). In essence this means that 40% of the amount indicated is available in 2006. In addition, the obligation authority provided by Congress is normally below the amount appropriated. The end result of this process means that we can expect anywhere from 85-90% of the amount identified to actually be made available to accomplish work on the projects.

The Department previously placed all the earmarks contained in the Transportation Bill on public notice as per Commission concurrence provided in November 2005. There were three written comments received during the Transportation Bill Earmark public comment period.

- The Southern Environmental Law Center wrote to express their concern with SCDOT moving forward with the Briggs-Delaine-Pearson Connector, the Mark Clark Expressway Extension, the Southern Conway Bypass, and the Berlin Myers Phase III projects. They prefer to see federal and state dollars spent on pressing Safety and Maintenance activities.
- The South Carolina Wildlife Federation also wrote expressing their concern over federal and state transportation dollars being spent on the Briggs-Delaine-Pearson Connector.
- Mr. Erich Zimmerman from the Taxpayers for Common Sense also provided a written comment opposed to SCDOT spending our limited resources on the Briggs-Delaine-Pearson Connector.

After careful study and review of the current status of the projects, the Department's financial position, and the financing needed for the projects to move forward, a list of projects has been prepared on the accompanying spreadsheet that are recommended for approval as noted below.

**Category #1** – Commission approval to obligate and spend the federal funds and for SCDOT to provide and spend the necessary state match is requested. (These are projects with activities that have previously begun and are in need of additional funding to continue or to be completed.)

**Category #2** – Commission approval to approve federal amount of the earmark is requested. The match for these projects is to be provided by other governmental entities.

**Category #3** – Commission approval to obligate and spend the federal funds and for SCDOT to provide and spend the necessary state match is requested. (These are new starts, or new projects.)

The remaining earmarks contained in the bill will be brought before the Commission at a later date for approval.

Finally, staff is also requesting Commission concurrence to place the earmarks contained in the Fiscal Year 2006 Appropriations Bill out on public notice. A spreadsheet of those earmarks is also contained in your handout for your reference.
