Subject: Innovations in tech training

News & Events: June 30, 2016

The Workforce Innovation and Opportunity Act

WIOA has one simple goal: connecting more Americans to [good jobs](#).

TechHire Triumphs

An enterprising ecosystem in Kansas City is helping companies expand, closing the digital divide, and [training workers](#) for great jobs. And all this is being supported by the Department of Labor.

Victory for home care workers

Until recently, Kimberly could work up to 120 hours in a week without a dime of overtime pay. How a [Supreme Court decision](#) ensures we can protect workers like her.

#DOLpride

[Watch what happens](#) when two LGBT champions take the stage to discuss workplace laws, LGBT rights and decades of progress.

Blog Highlights

Safety first

When workers speak up about safety, they save lives. And "Stop the Hurt" empowers workers to speak up.

Doubling down

How we expanded a program that helps displaced workers get back on their feet, and back on the job.

Up-scaling skills

We're requesting contract proposals from industries and workforce groups to expand registered apprenticeships.
