I wanted to make sure y'all saw the following statement from the governor.

Let me know when you get this.

On background: the governor will order the flags atop the Statehouse be flown at half-staff on the day of Senator Drummond's funeral.

STATEMENT FROM GOVERNOR NIKKI HALEY:

"A World War II fighter pilot and prisoner of war who became a fighter for Greenwood County in the Senate, John Drummond was born to serve, and he lived an extraordinary life.

"Michael and I lift up the Drummond family in prayer and join them in giving thanks for Senator Drummond's sacrifice and service."
