**Yes, you can. The cabins have two double beds and a sofa. Some have sleeper sofas. I would contact the park directly for more specific information: 1-800-491-1764**

Hello I am interested in making reservations in the new camper cabins at Dreher state park. I noticed it says sleeps 4. We are a family of 5 with small children could we still reserve this with 5 people?

We state that it sleeps 4 in the beds available -- two twin bunks and one full bed. However, if you want to put more people in the cabin, you certainly can.
