Subject: Rep. Funderburk

Haley – Please thank Rep. Funderburk for our meeting today. As we work this week to explore possible options to help the city find a solution as best we can, we did have one request for her: Please ask her advice on whom we should contact to get detailed background on the property and communications with the property owner – maybe the mayor, manager, council member? If she has their contact information, then that would be great as well.

Thank you.
