Subject: Central Midlands Corrective Action Plan - Legal Services

Dear Mr. Mauldin and Ms. Curtis:

The LGOA would like to inquire about the Corrective Action Plan for Legal Services. A letter requiring a corrective action plan due to non-compliance with the Older Americans Act was provided to Ms. Curtis at the AAA Director's meeting on October 29, 2014. The deadline for submitting all documents and/or plan was November 17, 2014.

As of today, Central Midlands has not filed the required information including copies of their legal services contracts/MOAs, outreach plan, methodology for assessing the need for services, plan for training staff, and the methodology that will be used for screening and targeting the correct populations and issues. These are all requirements of the Older Americans Act and are reflected in their Legal Assistance Development Standards.

Please advise on the status of the Corrective Action Plan.

Thank you for your continued partnership in our mission to enhance the lives of seniors and adults with disabilities in South Carolina.
