Ted,

I just touched based with the Governor's Press Office about Ogletree's desire to issue a press release supporting the Governor's position on the flag.

Your best bet is to connect with Chaney Adams over there -- she is copied on this email. Chaney is fantastic and has been very supportive of DEW and its efforts.

Chaney, Ted is my former partner at the firm, is on the Board at Ogletree and currently serves as the General Counsel of the SC Chamber.

Please let me know if I can do anything else to help with this coordination.

Cheryl.
