Kevin. I am certain you are well aware of and support the new Sanctuary Pointe development on Lake Hartwell. I have agreed to join the Board of Directors for the Outdoor Life Center, a non-profit organization formed to oversee the development of recreational facilities on the 300+ acre site just south of the SC Welcome Center on I-85. As Executive Director of the Lake Hartwel Association I have been closely monitoring and evaluating this project for several years. I am convinced it has the potential of becoming the most popular tourist attraction on the lake.

This is a request for your support in introducing Sanctuary Pointe to our new governor and an invitation to you to meet with our board and the developers so we can bring you up to date on what's being planed in terms of lodging and outdoor recreation. We will be happy meet with you both at the Capitol at your convenience, or with you first here in the Anderson area.

Attached is a letter of support from representative Jeff Duncan.

Thanks for your continuing support of our beautiful Lake Hartwell.
