Subject: Thank you for your contact

This reply is not an official response but an acknowledgment that I have received your email and appreciate your taking the time to contact my office.

I regularly receive a large volume of U.S mail and email which makes it difficult for me to respond as quickly as I would like.

I am happy to address questions or concerns of the constituents of House District 47 and encourage constituents to resend their email with the subject line "CONSTITUENT" (and include your address and contact number in the email) so that I can make your request a priority.

Also please cc a copy to tommy@tommypope.com. That email will reach me directly.

Sharing your ideas and suggestions enables me to do a much better job for our community and state. Again, many thanks for taking a part in the process and contacting me!
