I do have a suite – it would be on the second floor or higher – and I can do a discounted rate of \$489 per night. The going rate is \$619 per night.

Happy to VIP whomever is using the suite and send an amenity if you would like. Just let me know.

Checking to see what we have available so should have an answer shortly!

PS – Were your ears burning this weekend? Russ Greene from BFG and I were talking and I didn't realize he worked on your account. His little boy, Logan, is in the same class as Wesley and

Landrum.
