

**Can unjust leaders claim that God is on their side - leaders who permit injustice by “their” laws? They attack the righteous and condemn the innocent to death.**

**December  
2015**

**To: Governor Of South Carolina  
and all Governors in United  
States of America and the  
Senate and House of Representatives**

**We the people, the tax payers, and all that are trying their best to do the right thing. Please have a meeting with all elected to please get our military on our ground to protect us. We need to protect our borders and not allow anyone in or out. We need military in our neighborhoods with equipment and trained dogs to detect large amounts of gun powder and other dangerous equipment. Why wait until its too late? Why does the government always wait until something bad happens?**

**We need to remind people of the law that this country was created. The one and only true and honest law that's in the Holy Bible. That is the law that we should be going by. And to remind our neighbors in the United States to learn how to resist temptation. If people would learn how to resist temptation and go by the rules and the law of the Bible everything would be alright. Please help me spread this message everywhere!**

**Humans were created to take care of the earth and everything on it. Why are the animals suffering? Look at all the different ways animals are suffering. From the farm to the store and restaurant to humans mistreated them or running over them. Please help me spread this message everywhere! We need to start doing the right thing!!**

## America

My country 'tis of thee, sweet land of liberty  
of thee I sing. Land where my fathers died  
land of the pilgrims pride, from every moun-  
tain side, let freedom ring. ↓?

Our Father God to thee, author of liberty,  
To thee we sing. Long may our land be  
Bright, with freedoms Holy Light, protect  
us by thy might, great God our King.

WHY WAS I LEFT OUT?
